Primary School's Sports Funding

The government continues to support primary PE and sports premium funding based on the number of pupils in years 1 – 6. Yesoiday HaTorah Girls' Academy is entitled to £16,000 plus £10 per/pupil for the year 2019/20. The PE and Sports Premium Funding amount is still to be confirmed.

Purpose of Funding

The premium must be used to fund additional and sustainable improvements to the provision of PE and sport, for the benefit of primary-aged pupils, in the 2019 to 2020 academic year, to encourage physical activity and an active lifestyle.

This means that we will use the premium to:

- develop or add to the PE and sport activities that Yesoiday HaTorah School already offers
- make improvements now that will benefit pupils joining the school in future years

2019/20 Allocation

The focus for 2019/20 is the engagement of all pupils in regular physical activity. The academy will provide staff with professional development, mentoring, training and resources to help them teach PE and sports more effectively. High quality sports coaches will be working with teachers to enhance and extend current opportunities for pupils. In addition, new and engaging equipment has added to the PE resources in the school.

Impact and Allocation

The pupils have 55 minutes informal physical activity every day, plus 70 minutes per week formal physical activity. This includes breaks as well as P.E. and games lessons.

The allocation of the grant and impact assessment report will be published by 31st March 2020.
