## **Pupil Premium Report 2020/2021 for Yesoiday HaTorah Girls' Academy**

Pupil Premium is funding allocated to schools by the government. It is for schools to decide how the Pupil Premium is spent, as they are best placed to assess what additional provision should be made for the individual pupils at their school.

The level of the premium is currently £1,345 per Free School Meal (FSM) eligible pupil.

The total amount of pupil premium allocated centrally for the financial year 2020-2021 is £5,380.

This related to 4 pupils - 0.8% of the girls on roll at the academy. The national average for pupils in receipt of Free School Meals is now 17.3% of number on roll (up from 15.4%). As the pupil premium funding is based only on free school meal numbers as a deprivation indicator, the academy is disadvantaged financially.

### **How this money is allocated**

The targeted and strategic use of pupil premium may include:

- Quality first teaching provided by the teacher within class and quality teacher led interventions provided by support staff.
- Providing small group intervention work with experienced staff focussed on overcoming gaps in literacy and numeracy.
- One on one support from teaching assistants.
- Individual and small group intervention for children experiencing social and emotional difficulties.
- On the staff we provide specialists such as art therapists/play therapist.
- On the staff we provide specialist SEN and Speech and Language support to work with individual pupils.
- We provide 1:1 and small group targeted tuition from experience teachers for children at Key Stage 2 who are struggling to achieve the expected level by the end of the Key Stage.
- Gifted and talented teacher led extension programme.
- Further money from the budget, as needed, is added to the pupil premium to ensure that all pupils make the required progress and are properly supported in class.
- Subsidising curriculum enrichment activities.

During this period the Trust has allocated Pupil Premium funding to individuals focusing on in-class and remote-class support and Literacy intervention.

Reflecting on the last available data (2019) reflects the strong results for all pupils. Progress scores are above the national average in all areas: reading, writing and maths. The Pupil Premium cohort size for Key Stage 1 and Key Stage 2 is very small and therefore data value is limited. Pupil Premium children achieved at least the expected standards in all assessed Key Stages.
